

Wissen Baum Engineering Solutions

BEL Batch 5 Training Report

Date: 10 June 2023

Wissen Baum Engineering Solutions

Germany | USA | India

Training No: WB_PD_005

Executive Summary

This report was prepared to provide information on the “Advance Sketching Module” program conducted on 10th June 2023. Recommendations include the continuity of the program and the creation of training activities

Objectives

The training plan’s objectives were:

- To brush up the “**Advance Sketching Module**” knowledge to the Batch 4 team (Freshers)

Background:

- Design Engineers working as onsite support to BEL (Batch 4: Freshers).
- We choose to offer an advance training on sketching module, which will help out to update the sketching and dimensioning with use of proper constraints.

Training Date:

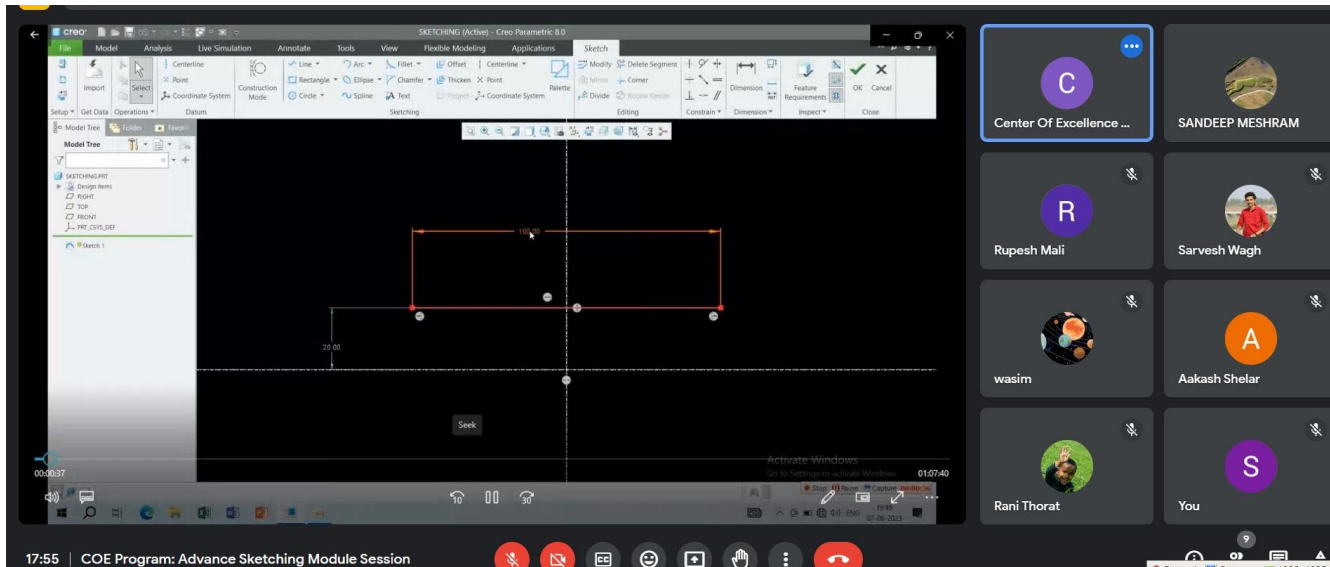

- 10th June 2023

Trainer:

- Sandeep Meshram

Attendees:

- Prathamesh P
- Akash S
- Sohailuddin
- Wasim
- Sarvesh W
- Rupesh M
- Rani T
- Nakul R

Mode / Methodology

- Online Mode

Training Content:

- How to give constraints properly during dimension.
- How a sketcher set up should be to avoid failures due to reference linkages if we update model history.
- Commands overview: offset, thicken
- Sketch editing commands
- Copy-paste geometry, import geometry.

Way Forward:

To enhance software skills in sketching module and clear advance concepts.
