

Subject: Request for Advanced Surfacing Training

Dear chandrabhushan sir,

I hope this email finds you well. I am writing to request training on advanced surfacing. I have been facing challenges in this area and believe that additional training would help me to overcome these challenges and improve my performance.

I would appreciate it if you could arrange for a training session on advanced surfacing at your earliest convenience. Please let me know if there is any additional information that you need from me in order to facilitate this request.

Thank you for your time and consideration.

Best regards,

Wasim Shaikh
